

How to Start Your Collaborative Divorce Process

- ☑ You meet with a Collaborative Lawyer to discuss options

You meet with your spouse to share the collaborative concept
(perhaps in a counseling session?)

Your spouse meets with a lawyer trained in the Collaborative Process*

If your spouse agrees to use the CP, let your collaborative lawyer know

Lawyers talk to choose the divorce coach best suited for your family's needs

The lawyers send an email to introduce your divorce coach with scheduling instructions

Questions? As always, don't hesitate to call, text or email.

* Note this process is only available to you if both attorneys are trained in collaborative process
